Re: State Lobbying Services for Communities Participating in the HonestESA Initiative

Dear Board Members:

On behalf of myself and the Community Association Leadership Lobby (hereinafter "CALL"), it is my pleasure to provide you with this proposed retainer agreement for lobbying services throughout the 2020 Legislative Session to allow your community to participate in CALL's HonestESA Initiative (HonestESA). HonestESA is a targeted lobbying campaign designed to achieve legislative relief to curb abuse and does not constitute legal services or legal advice regarding emotional support animal (ESA) requests in your community.

The participation fee is a flat \$1,000 fee which will include all travel and other expenses as needed by members of the CALL Team to successfully contact and communicate with Florida Legislators and key Committee Members throughout the 2020 Session. We will pursue relief from the growing proliferation of fraudulent ESA requests by: (i) prohibiting the use of online documentation to substantiate a request (ii) allowing an association to deny certain aggressive canine breeds as possible ESAs and (iii) criminalizing fraudulent requests.

While I am hopeful that we have already laid the proper groundwork with Senator Manny Diaz (R-District 36-Miami Dade) and Representative Sam Killebrew (R-District 41-Polk) who are sponsoring SB 1084 and HB 209 respectively, as with any lobbying effort, there is no guarantee that we can achieve our desired result with the passage of a bill to address your needs.

If you want to participate in CALL's HonestESA, please sign and return this letter to me as soon as possible. On behalf of CALL, we look forward to working with you on this project and thank you for your confidence in our lobby team.

Best Regards,

Donna DiMaggio Berger, Esq.
